ON YOUR MARK, GET SET THINK!

In light of the ever-evolving situation with COVID-19, Navian Hawaii's popular annual fundraising event will now take place in the *comfort of your own home*. It's time for Navian Hawaii's Annual Hot Pursuit at Home virtual fundraiser!

WHAT IS HOT PURSUIT?

Hot Pursuit at Home, our new take on our "Amazing Race" style event, will still involve solving clues and tackling engaging physical challenges, but in a more personalized setting. We encourage teams up to six people to ramp up their fundraising efforts, start doing their jumping jacks, put on their thinking caps, and register today!

During this incredibly challenging time, Navian Hawaii understands that families may be facing numerous hardships related to everything from physical health to financial wellness. Hot Pursuit at Home is an opportunity for our community to come together by bonding with their family and friends virtually—and having lots of fun in the process!
