Purpose Statement

The primary purpose of NAV Board is to connect Navian Hawaii to a more diverse audience and generate awareness of the alignment of our organization's mission, **to bring hope, reduce fears, and impact lives**, to those shared values that most resonate within the wider community, namely **volunteerism, community care and personal and/or professional growth**. It's through relationship-building, genuine connection, community-mindedness and reciprocity that this group of like-minded emerging leaders will demonstrate Navian Hawaii's benefits in meeting the needs of Hawaii's younger community members.

Roles and Responsibilities

Volunteerism is an essential role of all NAV members. Whether it is in giving of one's time or monetary resources, Navian Hawaii will depend on its NAV board to spearhead key philanthropic initiatives primarily through fundraising and event support.

Community Care comes in the way of being a community-minded connector. NAV members have the willingness to serve as ambassadors who connect with Navian Hawaii's communities, and likewise also introduce Navian Hawaii to his or her own networks. Community care is also practiced as board members help Navian Hawaii achieve its philanthropic goals as a means to support Navian's greater mission and commitment to provide hope and improved quality of life to the people of Hawaii.

Personal and/or Professional Growth is an area of focus and a reciprocated benefit that members will receive in serving on the NAV board. Valuable opportunities will be provided for NAV members to connect with business leaders from the Navian Hawaii board. These engagements will allow members of both boards to cultivate relationships through shared experiences and learning. Larger networking events will also be integrated when possible to expand the exposure and synergy of the NAV board to other like-minded non-profits.
